About me

I am a passionate and detail-oriented Computer Science Engineer with a strong foundation in programming, algorithms, and software development. I thrive on solving complex problems and am eager to contribute innovative solutions to the ever-evolving tech world. My technical skills in languages like Python, Java, and C++, along with hands-on experience in projects involving web development and machine learning, have prepared me to take on new challenges. I am highly motivated to learn, adapt, and grow in a dynamic team environment.
